FROM THE LIBRARIAN'S DESK. . . . .

Since our survey went out in early October to 7,960 households in Morton Grove, we have had 1,116 returned, which is a 14% response rate. Tabulation of the responses to specific questions is now under way. As soon as the results are available, we will have copies at public service desks for patrons to examine.

Several comments or questions cry out for direct response from us. Since we do not know who you are, we ask that you call either Paul Feil or me so that we can discuss your comments with you. We will report on the results of the survey in the next issue of INFO.

The holiday season is fast approaching and the members of the Morton Grove Garden Club will be decorating the Library early in December. We are grateful to them for adding to the holiday spirit and we hope that you will come and share it with us. We wish you all a Merry Christmas, Happy Chanukah and a Happy New Year!
